the impact of our organisations are we can't assist everyone. even dough we changed the way to delivering the service. Monthly BBQs in collaboration with Mission Australia or on or own, cooking and frozen meals, monthly dinner for the for the local community in partnership with CareSouth and have some nono perishable Foor items for emergency.

Q12

Describe how current policy settings impact housing affordability and access to housing from your organisation's perspective.

We have more and new people asking for help.

Q13

Describe what actions your organisation believes should be taken by governments to most improve affordability and access to housing.

people need more affordable housing possible demolishing some of the old deteriorating housing blocks and rebuilds on the same land higher apartments with a clause that the current tenants could moving back into their local areas they have been living. We are experiencing that resident who asked for a housing transfer due to the house was in need of repair they were moved to the next superb they are missing they feel alone and coming back.

Q14

Is there anything else your organisation would like to share with the Commission?

please look at what old housing have now demolished them and rebuild on the same land.
