Q10

Respondent skipped this question

Describe the experiences of people struggling to access affordable and suitable housing in the context of your organisation's work.

Q11

Respondent skipped this question

Describe the flow-on impacts of the housing crisis in the context of your organisation's work.

Q12

Describe how current policy settings impact housing affordability and access to housing from your organisation's perspective.

- Hard to get into agencies
 - Hard for people with disabilities because there is no housing available
 - People with disabilities often can't afford suitable housing
 - Accessible housing is very limited
 - Hard to get on the waitlist for housing
-

Q13

Describe what actions your organisation believes should be taken by governments to most improve affordability and access to housing.

- Isolation – sometimes the only housing available is far away from support system like friends and family, and your preferred care team e.g. support workers, doctors, specialists
 - There is no choice and control if you are removed from your support system and care team
-

Q14

Is there anything else your organisation would like to share with the Commission?

- NDIS should focus more on housing
 - NDIS should help people on the NDIS to access suitable housing
-
